Dear Don:

I wanted to tell you how many compliments that I have received on the paint job which you did on Baron 821D.

Nearly everyone that sees the plane thinks that it is the best paint job that they have ever seen.

One of the workers at Denver Avionics at the Centennial Airport here in Denver even said that he did not have to ask who did the paint job because he already knew it was you just by looking carefully at the quality of the job.

The main problem that I have is that everyone wants to ask me a lot of questions about the plane, but I guess I can handle this okay.

Thank you for the excellent work.

Very truly yours,

FISCHER and FISCHER
