Dear Don,

I have just returned with Marion from Oshkosh, and everyone loved your paint job! I don't know if I won any awards or not, but there sure were a lot of compliments. One fellow came over to me after looking the plane over at length and told me that he and his partner were grand champions in 1989, and "Your plane is as good as ours was." That made my day. Besides him, there were many many more who liked it, and all praised your paint job.

The gem dealer from Colorado was parked next to me and he has had his plane painted elsewhere; it's not as good as mine.

I'm enclosing a recent photo. If you would like a larger one, just give me a call. I plan to get some enlargements in a week or so.

I can't tell you how happy Marion and I are with the job that you did for us, and I want you to know that we appreciate all the time, effort, and care that you took. We're very pleased. Again, many thanks!

Sincerely,
