I've arrived safely back in Alaska on Thursday after spending a day in Tahoe. The plane performed great especially with the new prop which is much quieter. I wanted to thank you for doing such a great job painting the airplane. It looks better than new!! I will definitely recommend you to others. Please feel free to use me as a reference if you need to. Many thanks again and to your lovely wife for picking us up at the airport. All the best

Doug Fraiman
